

A roll of paper is shown against a background of cracked, dry earth. The roll is positioned vertically, with the top edge being a plain white paper. The main body of the roll is wrapped in a material that mimics the texture and color of a tree trunk, showing natural wood grain patterns. A single sheet of white paper is unrolled from the right side of the roll, extending towards the right edge of the frame. The cracked earth background is a deep brown color with irregular, polygonal cracks that create a textured, parched appearance.
